Ken's Comments

I want to express my appreciation again to everyone for the job you did in 2018. The good Lord blessed us so richly. I want to thank our wonderful elders for the way they love each one of us. These men and their wives are such an inspiration to every one in the congregation. I also want to express my appreciation to our deacons and their wives as well. We are very fortunate to have 14 men to serve in this capacity. We have a membership, both young and old, who are committed to working hard for the Lord. I want to thank our two secretaries, Sonya and Lisa, for the way they keep every thing running smoothly in the office. I want to thank Steve and Brit for all of their hard work. Steve does a lot to help me with the power point aspect of my preaching which I appreciate very much. In other words, I am thankful for every member of the Arab Church of Christ. I want to thank our senior members for leading all of us to heaven. We all love and appreciate you!

I believe 2019 will be another special year for our work. Remember to pray every day and use your abilities for the cause of Christ.

I am really excited about our Ladies Ministry. We have a group of ladies that get the job done whatever that job may be. Please remember that the next ladies breakfast and devotion will be Tuesday, February 5 at Backroads.

Our sermon Sunday is going to be one of extreme importance. It is entitled, "Praying for our Children." I believe this study will make a difference in all of our lives.

We had several of our young men and women home for the holidays that are either going to college or in the military. It was so good to see each one of them. Keep up your work and may the good Lord continue to richly bless you.

Tyler and Nick pick up our service cards each Sunday. I want to thank these two fine young men for this good work.

I know we are all excited about 2019. Bring your special attitude and smile as we worship our God together. Please don't forget how much Hannah and I love you!
